

GREAT LAKE TAUPŌ
Taupō District Council

KIA ORA KINLOCH

IT'S TIME TO
HAVE YOUR SAY

KIA ORA KINLOCH

We are currently developing our Annual Plan 2022-23 which will outline the services, key projects, and initiatives we intend delivering for our community in the coming financial year.

THIS IS WHAT WE INTEND TO DELIVER IN THE KINLOCH AREA:

REFURBISHING THE EXTERIOR OF THE KINLOCH COMMUNITY HALL

MAKING IMPROVEMENTS TO WHANGAMATA ROAD AND POIHIPI ROAD

UPGRADING HOW WE TREAT DRINKING WATER

to bring it in line with Drinking Water Standards New Zealand – ensuring the continued supply of safe drinking water for you and your family.

Through the Annual Plan 2022-23 Consultation Document which you can review at taupo.govt.nz/haveyoursay, we would also like to update you about our proposed plans for the wider Taupō District:

CAPEX

We are proposing changes to our Capital Expenditure Programme to ensure we are balancing affordability with important investments that will see our district thrive. Some of the key changes we want to discuss involve our Taupō Town Centre Transformation Project, significant upgrades to our water infrastructure, transport upgrades across the district and the Civic Administration Building fit-out.

FEES

Updates to some of Council's fees and charges

POLICY

A new Significance and Engagement Policy

WATER

Aligning our water rates across our communities

TCT

Changes to the Towncentre Taupō management rate
