Q1 257 responses

Which FIVE of the following areas do you believe should receive the greatest attention over the next five years? Please select up to FIVE. They are listed in no particular order. For more information, see details at the bottom of the survey.

Kinloch reserves
47.86%
Kinloch Community Structure Plan
40.86%
Kinloch Volunteer Fire Brigade
39.69%
Streamside trails
36.58%
Pest control
29.57%
Rubbish and recycling facilities
26.85%
Multipurpose, centrally located community hub
23.74%
Community communication and engagement
23.74%
Security cameras
23.35%
Weed control
22.18%
Security during peak periods
21.79%
Stormwater management
21.79%

Development contributions
19.84%
Community events
19.07%
Existing community hall
17.9%
Wilding pine management
17.51%
Neighbourhood safety and connection
14.79%
Community emergency preparedness
14.79%
Event and peak-period parking
11.28%
Relationship with local hapu

Q2 Are there any other issues, opportunities or projects you think should be considered as the updated Kinloch Community Plan is developed?

Answered: 170 Skipped: 87

#	RESPONSES	DATE
1	I think Kinloch has the opportunity to become the North Island's premier lake and trail destination. We already have many of the key ingredients, including great trails, a marina, the lake, and both local and world-class golf courses. What we're currently missing are enough reasons for people to stay in Kinloch for 2-3 days rather than visiting for the day from Taupō. The new commercial development will help create more of a village centre, with shops, cafés and other amenities. Further investment in walking and mountain biking trails could strengthen this even more, including exploring trail connections towards Whakaro Road and Te Kauwae Point. The focus should be on growing Kinloch as a destination in its own right while retaining the character and lifestyle that make it unique.	9/23/2026 12:15 PM
2	Food & beverage - what we already have and what’s coming	9/23/2026 9:46 AM
3	Hall revision - keeping services - hub etc centralised.	9/19/2026 1:04 PM
4	Fix Kinloch Road, It's appalling and long overdue. It's not just the Poplars, its the Drainage and the 50,000 Construction vehicles that have trafficked it over the past 20 years!!	9/18/2026 1:02 PM
5	No. Leave Kinloch as is but just provide core Council services, waste water, roads, reserve management, pest control, tree management. No new community buildings that just drive up rates.	9/17/2026 9:02 PM
6	Noise control, especially for those heavy motorcycles and loud dancing music. Kinloch is a residential area, not a racing site or ball room.	9/17/2026 4:42 PM
7	Erosion control along eastern foreshore	9/17/2026 4:17 PM
8	Protection against unauthorised Maori take over of Kinloch and any squatting. Returning Boat Harbour to its friendly use and safe haven we used to share with the community. All of the above listed topics are important.	9/17/2026 11:28 AM
9	A permanent toilet on or adjacent to Eastern Beach or The Esplanade	9/16/2026 8:04 AM
10	The Eastern Waterfront Esplanade requires some serious attention. Dead trees need removing - 3 more tables are really required. Two are not nearly enough. Roadside verge is rough and untidy. Would be nice to have this entire area cleaned up and ready for summer.	9/15/2026 7:10 PM
11	Speed reduction signage on Oakdale drive	9/15/2026 6:25 PM
12	Beachfront needs development for visitor peak periods	9/15/2026 4:55 PM

13	Broom and other invasive weeds should not be sprayed but cut or pulled out if possible. Often broom gets sprayed after the seeds are ripe and jung plants turn up a year later	9/15/2026 12:40 PM
14	NA	9/15/2026 9:28 AM
15	Lack of public toilets	9/14/2026 7:46 PM
16	Yes, Kinloch is the gateway for public access to the western bays. Using boat harbour as an example, this access appears to be under threat. Likewise the lakeside environment with temporary structures, roaming dogs and ignored regulations. If this continues it will likely spread to other bays, noting Waihaha is another example where you are not welcome now. What is Kinloch if you cannot visit the bays? Why has the council not upheld its duties in this regard and does the plan need to highlight such access issues for council action? Rabbits are out of control, damage is increasing and needs to be addressed.	9/14/2026 6:29 PM
17	The Scotsman’s Ramp use continues to be abused. Safe vehicle, pedestrian and cycling access is a major issue with the potential for a serious accident and a fatality. Boat trailers are being parked on road berms creating further safety issues. All boats should be launched at the marina. Consideration of a payment for boat trailer parking, to fund maintenance of the Domain. The Marina Company could collect a parking fee from both annual and day ramp users, as a payment system exists. Consideration of reduced speeds, especially around the marina, Domain and foreshore shop.	9/14/2026 5:14 PM
18	Maintain natural spaces that remain accessible to EVERYONE. Future planning should protect public access to bays, beaches, waterways, reserves and walking tracks ensuring these, valued community assets can be enjoyed by all residents and visitors. Access should not be restricted through exclusive management arrangements, fees etc. These natural areas are shared community and should remain open, accessible and available for the benefit of everyone.	9/14/2026 3:17 PM
19	Boat safety (jetskis). Safer areas for children to swim. Footpath maintenance	9/14/2026 1:52 PM
20	Beautify the lakeshore with better grass and shade trees.	9/14/2026 7:08 AM
21	Rethink the gravel car park as cars and especially camper vans drive quite far onto the beach which blocks views of it and blocks easy access to the main swimming beach. Eg. start by putting a low barrier like sleepers to stop cars from driving so far forward onto the beach.	9/14/2026 5:53 AM
22	Better public toilets Public Rubbish and recycling bins managed better during peak times	9/13/2026 9:02 PM
23	Accessibility to the lake through the private marina is very difficult during high peak times.	9/13/2026 8:57 PM
24	Maybe a health clinic - a culling program for rabbits	9/13/2026 8:16 PM
25	Maybe a roundabout at the Whangamata/Kinloch Road turn off to improve road safety. Recycling collection inside The Poplars entrance to avoid the eyesore on recycling day. Maybe a volunteer run stall where residents can sell homemade goods on behalf of contributors. Otherwise it is a beautiful, serene community where residents respect each other's space and take pride in maintaining their properties.	9/13/2026 8:06 PM
26	A sports ground, potentially a cricket ground and a club.	9/13/2026 8:02 PM
27	Kinloch Road Maintenance	9/13/2026 7:54 PM
28	Kinloch Road tree root bumps. It's getting worse.	9/13/2026 5:58 PM
29	Managing growth	9/13/2026 5:53 PM

30	Parking along foreshore	9/13/2026 3:01 PM
31	Continued push for Kinloch to be a safe family friendly environment, that focuses on people and community.	9/12/2026 5:39 PM
32	Eastern lake front reserve plan	9/11/2026 8:30 PM
33	Would like to see more dog rubbish bins around. If you have a holiday home you don't want to be putting it in your rubbish bin or taking it home.	9/10/2026 9:12 PM
34	Keep the idiots away from Kinloch over the Xmas new year period	9/10/2026 6:31 PM
35	the beach side parking in front of and to the west of the Kinloch Store . the hillside is gradually being eroded as cars/ trucks,utes back up the hill and gradually degrade the hillside under the trees . bollards to prevent this would assist	9/10/2026 4:20 PM
36	Keeping the reserves along the lakeside tidier. Trees and grass cutting are not maintained-especially after a storm. Volunteers would help if they weren't threatened by fines.	9/10/2026 3:12 PM
37	Rubbish and recycling facilities are also important	9/10/2026 1:36 PM
38	Kinloch Domain use - feasibility of parking facility for beachgoers and visitors, in addition to existing trailer parking. Upgrade of hall. Addressing drainage of parking area at Hall.	9/10/2026 1:09 PM
39	Scotsman’s Ramp to be repaired & maintained to allow access to the lake by small cars & trailers. Eastern beach needs permanent toilets. Review vehicle/trailer/public parking on the Domain. Establish a separate fund from events income, and spend this on community projects as decided by representatives from all community groups.	9/10/2026 11:23 AM
40	Up grading of Scotsman’s ramp to make a safe boat launching for smaller craft with two wheel drive vehicles	9/10/2026 9:02 AM
41	Rstrict any further residential development.	9/10/2026 8:55 AM
42	Let’s plan for growth and embrace it positively. Development here is done well - and that’s a good thing. So yes let’s build a kindy. Yes let’s support rural fire stations. Let’s support our new shopping hub. The hall and domain are great assets - let’s use them more. Promote more events to come here. Let’s embrace Kinloch’s awesomeness and keep being positive	9/10/2026 5:49 AM
43	Outdoor gym area for teenagers and adults to encourage fitness and activities together for the older population of Kinloch, not just the young families.	9/9/2026 9:31 PM
44	Repair and protect the beach front on the reserve damaged by the high lake level	9/9/2026 7:09 PM
45	Medium density, apartment living. So holiday owners can invest in lock up and leave without the huge sections. And fixing the second boat ramp on the lake so it can be used with a concrete ramp.	9/9/2026 5:51 PM
46	Matching the infrastructure such as wastewater, sewerage etc with the intent for growth which will enable the village residents to be approved for second dwellings without restriction	9/9/2026 2:17 PM
47	I think that TDC should do the basics - mow reserves, collect rubbish etc	9/9/2026 12:46 PM
48	nil	9/9/2026 12:05 PM
49	I would like to indicate my ongoing support for the toilets project for the Eastern Beach Reserve.	9/9/2026 11:57 AM

50	Speed management on Whangamata Road 60km/h area, and pedestrian and cyclist safety on the road around the Kinloch store and parking and beachfront access.	9/9/2026 10:38 AM
51	A couple of mobile kayak structures for canoes and kayaks to be tethered next to the bank. Many people are unable to get their kayaks to the beach. On the Eastern beach- a toilet block, and more trees planted where there is open ground to prevent the land eroding more with storms.	9/9/2026 10:29 AM
52	More public toilets, rubbish bins particularly during the summer months	9/9/2026 10:07 AM
53	Support for the shopping precinct on the corner of Kinloch Road and Kenrigg Road.	9/9/2026 9:36 AM
54	The road into Kinloch really needs to be resealed from the main road down to the roundabout	9/9/2026 9:02 AM
55	Most needed to fix up the boat ramp at the end of Marina Terrace. stop pumping the scum out of the Mariner into the Lake where we swim or ski, this is disgrace .Kinloch is for everyone no group should have any more say then anyone else	9/9/2026 8:40 AM
56	Removal of prickle bushes at lakeside	9/9/2026 8:10 AM
57	What the future make up of our community looks like, e.g. increased families, increased elderly Lakefront Reserves improvement Connection of community Relocation of the Fire Station to better serve the community	9/9/2026 7:52 AM
58	Road management/improvement. Rather than prioritise saving the polar trees on Kinloch Rd think about the damage they do to the road and the cost of fixing it repeatedly.	9/8/2026 8:54 PM
59	Street sweeping, cleaning stormwater drains, general upkeep of the area	9/8/2026 8:02 PM
60	Maitenance of the reserves especially along the foreshore old poplar trees need to be removed and reserve area improved	9/8/2026 7:52 PM
61	No	9/8/2026 7:49 PM
62	Kinloch road requires maintenance and upgrade. It is the entrance way to the village, and its condition is not to a standard expected by most. Footpath needed from mariner to toilet block and driveway to lakefront. Cull the rabbits, they make such a mess - Locheagles and other places. Do we need to specify - Relationship with local hapu when there is a general statement for everyone! - Community communication and engagement!	9/8/2026 7:39 PM
63	Restrict further housing development	9/8/2026 7:30 PM
64	Access to the lake Visitor parking Boat launching faculties Parking of boat trailers restricting day trippers access to the beach Anchoring of boats that restrict swimming activities	9/8/2026 7:23 PM
65	No	9/8/2026 7:00 PM
66	Rubbish collection areas increased in public spaces. More toilets.	9/8/2026 6:45 PM
67	Size of sections	9/8/2026 6:19 PM
68	having an extra public toilet on the lake front near the boat ramp	9/8/2026 6:14 PM
69	Drainage of the Kinloch Reserve. It’s a disgrace how wet it gets.	9/8/2026 6:09 PM
70	Lake Front Development to improve health and safety issues	9/8/2026 6:05 PM

71	Overhaul of the community hall. It was designed for the marina and was spectacular in the marina back in the day until the council plonked it in the reserve instead of the designed club/community house. 👍	9/8/2026 5:37 PM
72	Kinloch needs to grow to support new shops and local businesses	9/8/2026 5:35 PM
73	How big should the community become and where can growth be best accommodated	9/8/2026 5:33 PM
74	Keeping traffic flows slow and manageable, especially during the busy summer period.	9/8/2026 5:22 PM
75	I want to tick all the boxes!	9/8/2026 5:12 PM
76	Using the large retail unit as a multi- community hub(incl. for kids) if it fails to attract a grocery tenant)	9/8/2026 5:07 PM
77	NA	9/8/2026 5:05 PM
78	Peak time security of property & extra rubbish bins to keep mess at bay. Also enforcing dog management - leads & excretion	9/8/2026 4:59 PM
79	The village should be kept as a family safe and happy spot. Keep the reserves and domain as natural as possible. So many resident's and visitors comment on the undeveloped areas as serene and enjoyable areas. Far more enjoyable than over developed parks.	9/8/2026 4:56 PM
80	Do not allow over development	9/8/2026 4:55 PM
81	Do some long awaited maintenance in the Gulley from Kenrigg Road to lake,ie tree trimming removal of dead trees,mow the grass,it used to he done regularly .!	9/8/2026 4:53 PM
82	More availability of public transport. One bus once a week is not enough. Even a mini bus that could stop in more parts of Kinloch.	9/8/2026 4:47 PM
83	Scotsman ramp maintenance	9/8/2026 4:47 PM
84	The scale and pace of housing development in Kinloch has become excessive and needs to be significantly reduced and better controlled. Future development should be carefully managed to protect the character, environment, and quality of life that make Kinloch a special place to live. The updated Community Plan should prioritise sustainable, appropriate growth rather than continued large-scale residential expansion. Any future development should take into account the capacity of existing infrastructure and services, including roads, water, wastewater, stormwater, community facilities, and other essential services.	9/8/2026 4:44 PM
85	control of blackberry. removal of dead trees alongside lake and on walking trails. Disruptive and trouble making kids / teenagers / your adults during holiday times.	9/8/2026 4:42 PM
86	Reseal of the road in front of Keitha Place and a rethink about the parking on the reserve as the current system is ineffective and dangerous	9/8/2026 4:39 PM
87	The tall poplar trees in the domain should be removed,they are toxic when they shed their fluff	9/8/2026 4:39 PM
88	Users pay. Do not use funding from ratepayers not residing the Kinloch area.	9/8/2026 4:38 PM
89	Better parking	9/8/2026 4:34 PM
90	Not currently	9/8/2026 4:33 PM
91	larger, more free public boat ramps	9/8/2026 4:32 PM

92	Removal of the 60 year old poplars directly threatening residents houses	9/8/2026 12:34 PM
93	not at this stage	9/7/2026 10:10 PM
94	The kinloch hall and tennis court could be upgraded - this is a great spot for the community to get together. Over summer the bus parking at the waterfront should be restricted - people should park in the reserve with the boat trailers.	9/7/2026 12:10 PM
95	Dont allow cheap tourism to destroy Kinloch - put commercial rates on any accommodation including short term rentals	9/7/2026 11:47 AM
96	Parking and facilities for caravans and campervans	9/7/2026 8:55 AM
97	Improving the road surface on Kinloch Rd to Whangamata Rd	9/7/2026 8:02 AM
98	Probably needed to select 8 above. Difficult to narrow needs to only 5 selections. Dog control. Too many dogs off leads.	9/6/2026 9:13 PM
99	Providing a petrol station	9/6/2026 8:23 PM
100	Change the 60kph on Whangamata Rd to 80kph, 60 is way too slow	9/6/2026 6:51 PM
101	Regular meeting.	9/6/2026 6:36 PM
102	Accessibility of the Kinlock boat ramp during peak times. Cars and trailers can be lined up Mata Place blocking the road and driveways.	9/6/2026 6:13 PM
103	The gorse along the lakeside and beginning of the walking tracks.	9/6/2026 4:50 PM
104	A free public boat launching facility	9/6/2026 4:12 PM
105	Expand beachfront roadway/parking development	9/6/2026 4:05 PM
106	No	9/6/2026 3:11 PM
107	Community newsletter	9/6/2026 3:01 PM
108	Ensuring that the community is not ruined by cheap tourism such as short term rentals	9/6/2026 2:33 PM
109	Over due maintenance of the domain	9/6/2026 1:51 PM
110	I think that the preservation of Kinloch’s natural beauty and outlook is key - and that all proposed “improvements”, amenities and projects should be considered with this in mind.	9/6/2026 1:14 PM
111	A permanent solution to toilets at the eastern end of the bay and the upgrading of the exisiting facilities	9/6/2026 10:32 AM
112	The footpaths on main roads switching sides regularly should be looked at. Only having the footpath on one side is fine, but crossing the road multiple times to stay of the footpath can’t be efficient or safe. The worst example of this is kinloch road where it’s missing for about 100m making you cross the main road twice for a walk	9/6/2026 9:27 AM
113	Tree management on berms and reserves	9/6/2026 9:25 AM
114	Better public toilet facilities!	9/6/2026 9:04 AM
115	The road coming into kinloch needs a desperate makeover due to increased traffic.	9/6/2026 8:28 AM

116	There should be a defined period of time in which houses are built and completed in the consented time frame issued by TDC. Reference to 3 year build at 13 Seven Oaks Drive, Kinloch	9/6/2026 8:15 AM
117	The stopping of further housing developments that are forever changing the character	9/6/2026 7:54 AM
118	Policing of rules along the lakefront especially in summer	9/6/2026 7:50 AM
119	The scope of development in the area needs to be carefully managed to retain the quiet and recreational nature of Kinloch. For example, increased traffic volumes, increased user conflict on recreational facilities etc.	9/6/2026 7:47 AM
120	I would like better dog control. Too many incidents of dogs walking around without owner. Fine people.	9/6/2026 7:15 AM
121	Exercise Stations on Community Reserves Dedicated Self sufficient (ie Solar powered) Community Hall which would double as a CD HQ for the village.	9/6/2026 12:41 AM
122	Fix up tracks/roads along beach front, my farm tracks are way better	9/5/2026 11:03 PM
123	Modernise the road network	9/5/2026 10:22 PM
124	Not really KC’s responsibility but educate and police that minority of boaties who have no idea	9/5/2026 10:09 PM
125	Walking groups	9/5/2026 9:12 PM
126	Putting a stop to developers trying to downsize the sizes of sections after originally plans have been submitted	9/5/2026 9:05 PM
127	Water quality of the lake	9/5/2026 9:02 PM
128	Keeping green spaces	9/5/2026 8:32 PM
129	Possibly making it so Kinloch can host soccer,rugby,hockey etc sports in the village domain as there are more families moving here	9/5/2026 8:24 PM
130	Continuing to keep the water font beach area nice and clean. A small local pub would be cool to meet some locals prehaps? You guys doing a great job with the kinloch community! Keep it up!!	9/5/2026 8:09 PM
131	Try and keep the small community feeling. Community is growing so fast	9/5/2026 8:03 PM
132	Stop or slow down any more development of small sections. Protect the pressure on the marina and the waterfront environment from overcrowding.	9/5/2026 7:53 PM
133	Partner with nearby private landowners to extend the Whangamata and Okaia stream trails	9/5/2026 7:49 PM
134	Proper sports fields not just a random goal post and cricket net	9/5/2026 7:40 PM
135	Expand mountain biking facilities and trails	9/5/2026 7:31 PM
136	Not allow the village become a growth centre	9/5/2026 7:22 PM
137	Further development of the foreshore	9/5/2026 7:10 PM
138	Keeping lake frontage available for all.	9/5/2026 7:04 PM

139	Preserving the nz community feel, alot of people live in kinloch to "get away from it all" . We dont want it to become to big or over developed.	9/5/2026 6:48 PM
140	.	9/5/2026 6:41 PM
141	More off lead areas for dogs	9/5/2026 6:39 PM
142	Police station	9/5/2026 6:38 PM
143	Updated park facilities	9/5/2026 6:33 PM
144	No	9/5/2026 6:30 PM
145	Repair of Kinloch Road (from Whangamata Road into Kinloch)	9/5/2026 6:29 PM
146	Parking at main beach and stop vehicles parking in grass areas where children play	9/5/2026 6:19 PM
147	Fully support existing amenities such as store, cafes and newly developed retail area. No need for more development.	9/5/2026 5:35 PM
148	Lake front parking area need attention especially at the main beach for safety and erosion control.	9/5/2026 5:26 PM
149	Better parking area and extra seating on the beach area by the store and marina.No parking on the slope in front of the store leave that for people.	9/5/2026 5:02 PM
150	A new community centre	9/5/2026 4:39 PM
151	Tarseal the carpark by the beach as it is extremely dusty and unpleasant during summer. More signage for no freedom campers at the same carpark.	9/5/2026 3:11 PM
152	The lake front should be kept weed free and mowed and all the blackberry bushes taken away	9/5/2026 2:43 PM
153	The multi-purpose Community Hall is a priority. Hopefully on the HHT land on Kinloch Rd combined with outdoor sports areas (two extra golf holes?) Include an area for off road parking and school bus stop. The Kindy project must not be considered as a suitable alternative. Ideally the fire station moved so the lakeside precinct can be redeveloped over time.	9/5/2026 2:41 PM
154	Shaded areas along the shoreline from the carpark west towards the stream for families to enjoy, include picnic tables. Look to plant trees along the same area for shade and to stabilise the foreshore grassed areas.	9/5/2026 2:36 PM
155	Yes more public toilets down south end by the lake and rubbish facilities around the community	9/5/2026 2:34 PM
156	Parking on lake front, this ruins the beauty of the lake front and poses risks to those using the lake front trail. With the designated parking area and the domain parking it would be great to see the parking on the lake front from the toy shed to along shut and this expanded as a reserve area.	9/5/2026 2:06 PM
157	No	9/5/2026 12:59 PM
158	Do more to stop the algae as it’s a big problem during the summer months.	9/5/2026 12:38 PM
159	The over development of the Kinloch area, is existing infustructure going to cope.	9/5/2026 12:09 PM
160	Any development should consider disruption to local village life.	9/5/2026 11:15 AM

161	A local pub so the community can come together and socialise ie quiz nights, restaurant etc.	9/5/2026 11:14 AM
162	Yes upgrading the playgrounds and making sure in summer they have shade sails to protect kids and stop the playground equipment getting too hot to actually use.	9/5/2026 10:51 AM
163	The central kinloch playgrounds	9/5/2026 10:35 AM
164	Protection of waterfront recreational areas	9/5/2026 10:10 AM
165	Library, more walking trails, more lakefront commercial development	9/5/2026 9:57 AM
166	History of Kinloch.	9/5/2026 9:57 AM
167	We need proper visitor accomodation for events.	9/5/2026 9:44 AM
168	More trails	9/5/2026 9:40 AM
169	No	9/5/2026 9:36 AM
170	Public toilets at the east end beach please! And more rubbish bins everywhere.	9/5/2026 9:27 AM

Q3 What do you value most about Kinloch, and what would you particularly like to see protected as the community grows and changes?

Answered: 215 Skipped: 42

#	RESPONSES	DATE
1	What I value most about Kinloch is its village feel, access to the lake, trails, and outdoor lifestyle. It offers a quieter alternative to Taupō while still providing easy access to recreation and nature. As Kinloch grows, I'd like to see that character protected, particularly access to the lake, open spaces, and the sense of community. Looking ahead, I see an opportunity for Kinloch to become a recognised lake and trail destination, with expanded walking and mountain biking trails, quality cafés and restaurants, and a range of accommodation options that encourage visitors to stay longer rather than just visit for the day. Growth should focus on enhancing what makes Kinloch unique, rather than simply adding more housing.	9/23/2026 12:15 PM
2	The public spaces (eg reserves, paths, playgrounds etc), environment and food and beverage offerings.	9/23/2026 9:46 AM
3	Lakefront views and beach care. Consideration re parking as elderly and families don’t want to walk miles.	9/19/2026 1:04 PM
4	The open spaces and larger housing sections. When a plan as to what it allowed under development then the Council need to strictly enforce that and not allow Developers to apply and overturn that. The infrastructure cant handle it.	9/18/2026 1:02 PM
5	Protect Kinloch from further development. Leave the character of the area alone. Look after the basics.	9/17/2026 9:02 PM
6	Quiet and decent society. It should not be lost even population growth.	9/17/2026 4:42 PM
7	Lakefront reserves need to be protected and selective planting undertaken to stabilize foreshore and create shade for the future.	9/17/2026 4:17 PM
8	Its tranquil environment and to be able to continue to enjoy the special empathy most people go to Kinloch to enjoy.	9/17/2026 11:28 AM
9	Cleanliness, friendliness, fun community events, family fun. Like to see more inclusive fun things for families and young people. Music and small market each Sunday at the marina grass.	9/16/2026 7:02 PM
10	Its community and safety	9/16/2026 8:04 AM
11	Wilding Pines are an ongoing issue - Council is doing reasonably well but more could be done. Whangamata Road towards Otake Road there are many young trees that could easily be felled now before they are too big - poison is another option. I have mentioned this to Council before but nothing has been done. Eventually some of these trees could be a danger to the public. I love ❤️ Kinloch when the Reserves are well kept - important for new visitors- 1st impressions count.	9/15/2026 7:10 PM
12	Water frontage access and parking	9/15/2026 6:25 PM
13	The Village atmosphere being friendly and not fast paced.	9/15/2026 4:55 PM

14	I love and value the beach and ways along the lake front. Too much sand is covering the way to Kawakawa Bay trail. Is there any possibility of protection from the waves at stormy times, so that the sand cannot wash on the trail?	9/15/2026 12:40 PM
15	Easy access to lake .Small village feel. With more development there are more people using a limited beach area-how much more " development " is considered viable to retain current feel?	9/15/2026 10:21 AM
16	I would like Kinloch to remain a safe place to come to and spend quality time	9/15/2026 10:18 AM
17	The friendly nature of the community - all the activities there are to take part in, the tracks & lake.	9/15/2026 9:28 AM
18	Open spaces and how the reserves connect everything. Walking trails and the lakefront.	9/14/2026 8:11 PM
19	Small town feel	9/14/2026 7:46 PM
20	Its a great community orientated town, the village golf course is an asset. Walkways and cycleway upkeep is important.	9/14/2026 6:29 PM
21	Proximity to Lake Taupo and DOC Reserves. Boat ramps at the marina and parking arrangement at the Domain. Reserve spaces. Fishing opportunities. To be protected- Safe access to the foreshore reserves and the marina boat ramps. The opportunity for youngsters to safely roam freely. DOC Reserves. Parking at the Domain for boat trailer parking. Maintenance of the environment - reserves, public spaces, rubbish management.	9/14/2026 5:14 PM
22	The Poplar trees on Kinloch Road as you enter Kinloch	9/14/2026 4:43 PM
23	Preserve the tranquility and natural environment that makes this community unique.Its a place where people can connect with nature, enjoy open space and experience a sense of peace that is increasingly difficult to find.future planning should protect these values by ensuring growth is balanced with the preservation of natural environment, community character and public access to clean shared spaces.	9/14/2026 3:17 PM
24	The relaxed, easygoing and easy to get around nature of kinloch. We love being able to get everywhere by foot and the safe feeling of letting the kids go and do whatever they want	9/14/2026 1:52 PM
25	Don’t reduce the section sizes and maintain a high quality of build.	9/14/2026 7:08 AM
26	I like the beach boardwalk and appreciate all the hard work that has gone into keeping it cleared and tidy of weeds and overgrow. Also like the community events like carols in the park with Santa.	9/14/2026 5:53 AM
27	How generally quiet and safe it is.	9/13/2026 11:01 PM
28	The lake/lake front. Protect the quietness/serenity	9/13/2026 9:02 PM
29	More control over the number of dogs in our community. We value village life style in general.	9/13/2026 8:57 PM
30	Protect the walkways and reserves and public areas	9/13/2026 8:51 PM
31	The lake front and beaches to be available for everyone to enjoy	9/13/2026 8:16 PM
32	The feeling of a safe area to live.	9/13/2026 8:06 PM
33	I love all the trails everywhere, very special and should be protected.	9/13/2026 8:02 PM
34	We moved here for the peace and tranquility and a great lifestyle. As long as that is maintained we’re happy.	9/13/2026 7:54 PM

35	The peaceful village atmosphere.	9/13/2026 5:58 PM
36	Quiet, beautiful, great community, safe for kids to roam free	9/13/2026 5:53 PM
37	Not get bigger	9/13/2026 3:01 PM
38	Peaceful, small town vibe. Kids can bike anywhere.	9/12/2026 9:20 PM
39	1. Safety and unique position in NZ, on the shores of Taupo where people can go about their business without negative influences being forced upon us.	9/12/2026 5:39 PM
40	Size, trees, birds and village feel.	9/12/2026 3:03 PM
41	Quiet and slow	9/12/2026 9:43 AM
42	Amenity. The many walkways, areas to exercise and walk dogs. However more dog poo stations and signs as there is a lot of dog poo.	9/11/2026 8:30 PM
43	The peace and diversity of people (young and old). I think it is lovely how small Kinloch is but do feel growth of the area is important fir sustainability	9/11/2026 5:52 PM
44	keep Kinloch,s village atmosphere	9/11/2026 12:07 PM
45	I believe the reserve on Keitha place should be closed for vehicles. It is so dangerous and there will be a major accident. The cars go so fast and ruin the overall reserve.	9/11/2026 8:59 AM
46	Beach frontage and roading and parking to enjoy this area	9/10/2026 11:50 PM
47	Need to stop subdivisions...Kinloch doesn't have the infrastructure for more houses. Was nice and quiet when we bought 15 years ago. Now it's becoming a rat race.	9/10/2026 9:12 PM
48	Limit the development. The infrastructure is not handling the rate of expansion.	9/10/2026 6:31 PM
49	Protect water quality of streams and lake by riparian management.	9/10/2026 5:37 PM
50	access to the lake through walkways , bike paths and walking tracks this is what makes Kinloch different to other places, makes us connected and you feel at one with the lake- not apart or away from it .	9/10/2026 4:20 PM
51	Value it’s small town vibe - and would like to keep it that way. Maintain the walking/ biking trails. Keep the speed limit low for everyone’s safety.	9/10/2026 3:44 PM
52	The community/village aspect of Kinloch is wonderful. It has been for many decades. Don't let developers take advantage by causing rate rises, water shortages and poor infrastructure planning.	9/10/2026 3:12 PM
53	The 'village feel'	9/10/2026 1:36 PM
54	Lakeshore and frontage - inviting, safe and functional for numbers using. Development density control.	9/10/2026 1:09 PM
55	Protect the iconic trees; protect access to the Eastern & Western beaches for all - residents & visitors; encourage community involvement in events. Develop a plan for better use of the Domain.	9/10/2026 11:23 AM

56	Family use of the beachfront, walking spaces, the iconic trees, water and sewage management	9/10/2026 9:02 AM
57	Peace and quiet.	9/10/2026 8:55 AM
58	The community is amazing. Let’s stop the factional in-fighting where we have 2 separate groups of people trying to influence our future. Let’s make sure that when our community pulls together for example event volunteers - that our community sees the benefit of this hard mahi being used as intended -for maintenance of the Whangamata stream trail. Weed spraying and protecting the planting work also done by volunteers - we need visibility and openness on the money earned and the money spent. After all - it belongs to the community who raised it. So let’s focus on thriving as a community not fighting for air time. Good on council for disbanding dysfunctional meetings and instead having a drop in option - that’s a good use of council time.	9/10/2026 5:49 AM
59	Community connectiveness. Better access for dogs and dog walkers to lake in summer The trails	9/9/2026 9:31 PM
60	The walking tracks and lakefront	9/9/2026 9:20 PM
61	Keep it as a family friendly location with no further residential or commercial development	9/9/2026 7:09 PM
62	It's a beautiful place to enjoy, and the atmosphere when there is visitors it's great for the village	9/9/2026 5:51 PM
63	I value the calmness of Kinloch outside of peak seasons.	9/9/2026 4:10 PM
64	The protection of the waterways from pollution, enabling trout to flourish and to support the maintenance of invasive weeds so our trees and shrubs thrive	9/9/2026 2:17 PM
65	Its safe and village like atmosphere.	9/9/2026 1:40 PM
66	That it stays as village like as possible but is also prepared for the summer influx. That is full time residents feel safe and probably the parking for the marina and events is managable.	9/9/2026 1:18 PM
67	It's a holiday destination first and foremost. less priority on kindergartens etc	9/9/2026 12:46 PM
68	The lake shore and the village feel in the old part	9/9/2026 12:05 PM
69	I value the various opportunities to be involved (when I can make time) and how they strengthen our community. I think protecting our community activities and encouraging new community members to join KCA as we grow would be good.	9/9/2026 11:57 AM
70	Access to the stream and K2K/W2K trails, access to the lakefront, quiet, low speed streets (esp Seven Oaks)	9/9/2026 10:38 AM
71	Its uniqueness, walking tracks, open spaces eg reserves, accessibility to the Lake, security, strong neighbourhood watch support. I would like to see the walkways between roads, open spaces and trees looked after and protected.	9/9/2026 10:29 AM
72	The bush, cleanliness and feeling of a 'village'	9/9/2026 10:07 AM
73	Access to the lake and bike trails as the major attractions for residents and visitors alike.	9/9/2026 9:36 AM
74	Off peak quietness, trails maintained	9/9/2026 8:48 AM
75	Keep out to much commercial development Make sure the Lake is kept available to everyone. Retain the village atmosphere keep the speed down during summer, But not with speed humps, signs only.	9/9/2026 8:40 AM
76	Control speeding vehicles within Kinloch	9/9/2026 8:37 AM

77	Tranquility during quieter times Safety and security during peak times	9/9/2026 8:16 AM
78	the relaxed atmosphere, access to golf and public spaces, a place that is safe for children to be children	9/9/2026 8:10 AM
79	Continued public lake access	9/9/2026 7:58 AM
80	Open & friendliness of Kinloch Older Kinloch as pedestrian friendly, e.g. 30 of 40km/hr speed, while developing activities in the 'newer' part of Kinloch	9/9/2026 7:52 AM
81	It’s unspoiled village vibe.	9/9/2026 7:39 AM
82	The ability for children to walk and ride their bikes safely around Kinloch. So traffic management- speed bumps to keep traffic slow and trees managed to provide visibility for safer pedestrians. Reliable footpaths so pedestrians don’t need to swap sides of the road to use footpaths.	9/8/2026 9:37 PM
83	The low key, family friendly nature of Kinloch.	9/8/2026 9:29 PM
84	The peace and quiet. Protect it from too much further development. Find ways to deal with the undesirable behaviour from mainly those that do not permanently reside here.	9/8/2026 8:54 PM
85	No more street lights, let keep it dark for star gazing	9/8/2026 8:02 PM
86	Preserve Kinlock for the next generation. NO PUB. Nature for all to enjoy	9/8/2026 7:59 PM
87	the lake, foreshore, etc the marina	9/8/2026 7:59 PM
88	Don’t want anymore intensive subdivision vision of properties section sizes of min 800 sq m and adherence to original plan	9/8/2026 7:52 PM
89	Protect the community it is. Not make it commercial	9/8/2026 7:49 PM
90	Green spaces, reserves, bush lands cycle and walking trails	9/8/2026 7:39 PM
91	Security, most valuable in changing times	9/8/2026 7:36 PM
92	The location in itself is special. I would hate to see smaller sections, more intensive housing, as this detracts from what Kinloch is . Sleepy, rural, quiet, and very special.	9/8/2026 7:30 PM
93	Being able to walk to the lake to enjoy the peace and tranquility of the area	9/8/2026 7:23 PM
94	Lack of crime No hotels, motels or camping grounds The freedom for children to move around the community without fear.	9/8/2026 7:00 PM
95	Safety, lake water quality.	9/8/2026 6:45 PM
96	The lakefront and trails	9/8/2026 6:19 PM
97	its calmness and open spaces. Streams and golfing green	9/8/2026 6:14 PM
98	The sense of community.	9/8/2026 6:09 PM
99	Peaceful tranquil setting where everyone has a place to be.	9/8/2026 6:05 PM
100	The small community atmosphere	9/8/2026 5:50 PM

101	We built our humble bach 42 years ago knowing many of the original residents. We now come as often as we can. If possible keep the laid back atmosphere which reflects the true beauty of the area. Watch housing density, ie keep to the original plan and importantly tell the council to site for a second shopping area for at least a cafe/shop in the new developments which would be great for the people in those area eg near the new kindy. (New Kindy brilliant move)	9/8/2026 5:37 PM
102	The lake front especially the eastern lake front	9/8/2026 5:35 PM
103	The peace and quiet together with attractive walks and public access areas	9/8/2026 5:33 PM
104	A safe and fun environment for our children. A small village feel that is surrounded by a pristine natural environment, both land and sea.	9/8/2026 5:22 PM
105	The relaxed vibe of Kinloch with just enough commercial presence to be modern but not so much that it dominates. The lake and the bike trail rides are the jewel in the crown for Kinloch (any additional retail/commercial should enhance not dominate)	9/8/2026 5:12 PM
106	Kinloch is a holiday village and not a sub division of Taupo. Development should be oriented towards the village and not just mass development for developers.	9/8/2026 5:08 PM
107	Originality, security, community appreciation, togetherness.	9/8/2026 5:07 PM
108	I value the walking tracks and wildlife.	9/8/2026 5:05 PM
109	Keep the pests at Bay - magpies, rabbits etc. Keep the clean green Village feel	9/8/2026 4:59 PM
110	Maintain the quiet, friendly atmosphere.	9/8/2026 4:56 PM
111	Domain and reserves kept as undeveloped as possible.	9/8/2026 4:56 PM
112	Safety for all residents and holiday makers	9/8/2026 4:55 PM
113	Kinloch's self-identity, and to provide / give access access to features which serve all age groups in the community.	9/8/2026 4:55 PM
114	I love the non summer months when all the tourist are gone	9/8/2026 4:54 PM
115	Our peace without governance.Stop trying to implement any more rules & regulations.	9/8/2026 4:53 PM
116	Its environment and space which must be protected. Future development is necessary but must be done carefully to preserve the character of Kinloch.	9/8/2026 4:47 PM
117	The family feeling More involvement and inclusion with hapu	9/8/2026 4:47 PM
118	What I value most about Kinloch is its peaceful, small-community atmosphere, its natural beauty, open spaces, and easy access to the lake. Kinloch has a unique village character that sets it apart from larger, more densely developed towns, and this is something that should be actively protected. As the community grows, I would particularly like to see the natural environment, green spaces, lakefront, views, and sense of space preserved. Growth should not come at the expense of the qualities that attract people to Kinloch in the first place. It is important that future development is carefully controlled and kept at a scale that is appropriate for Kinloch. Protecting the existing character of the community should be a priority, rather than allowing continued high-density or large-scale housing development that risks turning Kinloch into another overcrowded suburb.	9/8/2026 4:44 PM
119	easy access to the lake and walking trails. Peaceful and quiet environment.	9/8/2026 4:42 PM

120	The Village feel	9/8/2026 4:39 PM
121	The beachfront	9/8/2026 4:39 PM
122	All residents are Taupo ratepayers and need to monitor how OUR rates are spent. NOT SPENT ON PROJECTS THAT ARE NOT NEEDED. NOT WANTED!	9/8/2026 4:38 PM
123	The waterfront	9/8/2026 4:34 PM
124	Village atmosphere, Community events	9/8/2026 4:33 PM
125	I love the small village feel of Kinloch and we should be looking to protect that.	9/7/2026 10:10 PM
126	I enjoy not having retail here - getting away to enjoy the beauty of the environment - lake - bike & walking tracks. Valuing the slow pace & quiet of Kinloch with events now & then.	9/7/2026 2:23 PM
127	Kinloch is growing but we appreciate that the community involvement and the preservation of the older town aspects remain. It is still a quaint town, with a small shop at the waterfront. It still feels small and we hope it stays that way. The placement of the new supermarket etc is aligned to this and doesn’t take away from the waterfront atmosphere.	9/7/2026 12:10 PM
128	Quiet nature of the community, low volume of cheap tourism	9/7/2026 11:47 AM
129	The amazing native bush - pest, weed and wilding pine management.	9/7/2026 8:55 AM
130	The public boat ramp off The Esplanade should be of the same standard as other ramps in and around Taupo. Needs to be ripped up and done again.	9/7/2026 8:02 AM
131	Picturesque playground of adventure. Trials have so much to offer but birdlife demonising - would love to see trial pest control/ native bird life conservstion	9/7/2026 6:29 AM
132	Tracks for walkers and mountain bikers. I value the green spaces. Maintaining the public spaces for all users to enjoy.	9/6/2026 9:13 PM
133	The quiet, relaxed lake side feel. Keeping the ownership of shops and services “local” and not owned by migrants.	9/6/2026 8:23 PM
134	I don't want Kinloch getting too big, it's already getting rather large	9/6/2026 6:51 PM
135	Keep the property shape for higher market value.	9/6/2026 6:36 PM
136	I value the up-market feel of the community. The fabulous beaches and walks. I would like to see the community protected from fast food places such as McDonald's.	9/6/2026 6:13 PM
137	Our quiet beautiful surroundings. Would like to see pest control upped. So many possums and rabbits.	9/6/2026 4:50 PM
138	No campsite . Quiet family spaces	9/6/2026 4:12 PM
139	Cheaper or free boat ramp access. Bring back the scotsman boat ramp. Move ski lane. Undo ridiculous speed restrictions on main road and whangamata road and poihipi road. No more kiddies playgrounds! How about something for teenagers?	9/6/2026 4:05 PM
140	Natural beauty and opportunities to access trails and lake areas. This is also what we would like protected.	9/6/2026 3:11 PM
141	Keeping pollution/rubbish/weeds under control in all areas especially by the lake and stream.	9/6/2026 3:01 PM

142	Reserves, camera controlling boogans like you get a n taupo	9/6/2026 2:33 PM
143	Village atmosphere retain	9/6/2026 1:51 PM
144	As above, I value Kinloch’s natural beauty, reserves and outlook. It has a lovely untouched feel.	9/6/2026 1:14 PM
145	Uphold character of Kinloch community	9/6/2026 12:21 PM
146	The connectivity and the open nature of the village. Avoid infill housing and maintain minimum section sizes at existing levels	9/6/2026 10:32 AM
147	How quiet and calm it is. Keep as many reserves as possible and don’t over develop them, we don’t need to be flash or expensive reserves, keep the dirt tracks, keep as many trees as possible, keep the place relaxed	9/6/2026 9:27 AM
148	Outdoor spaces: Marina, beach, reserves, trails, paths, golf courses.	9/6/2026 9:25 AM
149	Love the natural landscape and peace.	9/6/2026 9:04 AM
150	There needs to be a purpose built community hall, the existing one is not fit for purpose. And we need a petrol station.	9/6/2026 8:28 AM
151	The small connected community aligned with the opportunities within the environment. Eg: Lakeside amenities,Native Bush, Trails, Walkways, Protected Streams,	9/6/2026 8:15 AM
152	The idea that it is still a “holiday” place to go. One that is mostly quiet and empty, and also having the busy holiday periods. Gives rise to the same holidays that families had for years prior.	9/6/2026 7:54 AM
153	Village feel.	9/6/2026 7:50 AM
154	Recreational lifestyle - the ability to mountain bike, or walk the dog	9/6/2026 7:47 AM
155	Kinloch to be a safe community so people feel safe to walk around trails and not get attacked by roaming dogs..	9/6/2026 7:15 AM
156	The Reserves and Trails. The Village atmosphere	9/6/2026 12:41 AM
157	Please no motel/hotel, keep it an upmarket place like it is now, no cheap housing	9/5/2026 11:03 PM
158	Relaxed atmosphere in a safe environment	9/5/2026 10:09 PM
159	Well designed neighborhoods quality housing developments and amazing access to nature trails and pristine lake preserved and enjoyed by everyone for future generations	9/5/2026 9:48 PM
160	Love the streams and tracks etc	9/5/2026 9:12 PM
161	The natural beauty, lake water quality and the quiet, peaceful vibe outside summer holiday periods.	9/5/2026 9:12 PM
162	The security with cameras at all inbound access roads off Whangamatā Rd with initial cost of cameras and installation covered by the developer. Also, stopping the trees on the reserves being cut down by section owners boardering the reserves.	9/5/2026 9:05 PM
163	Keeping the lake water clean - if that goes Kinloch is spoilt for us and future generations	9/5/2026 9:02 PM
164	Green space and lake access	9/5/2026 8:32 PM
165	Keep the lake front and fore sore protected. Keep the village feel even though it will grow bigger	9/5/2026 8:24 PM

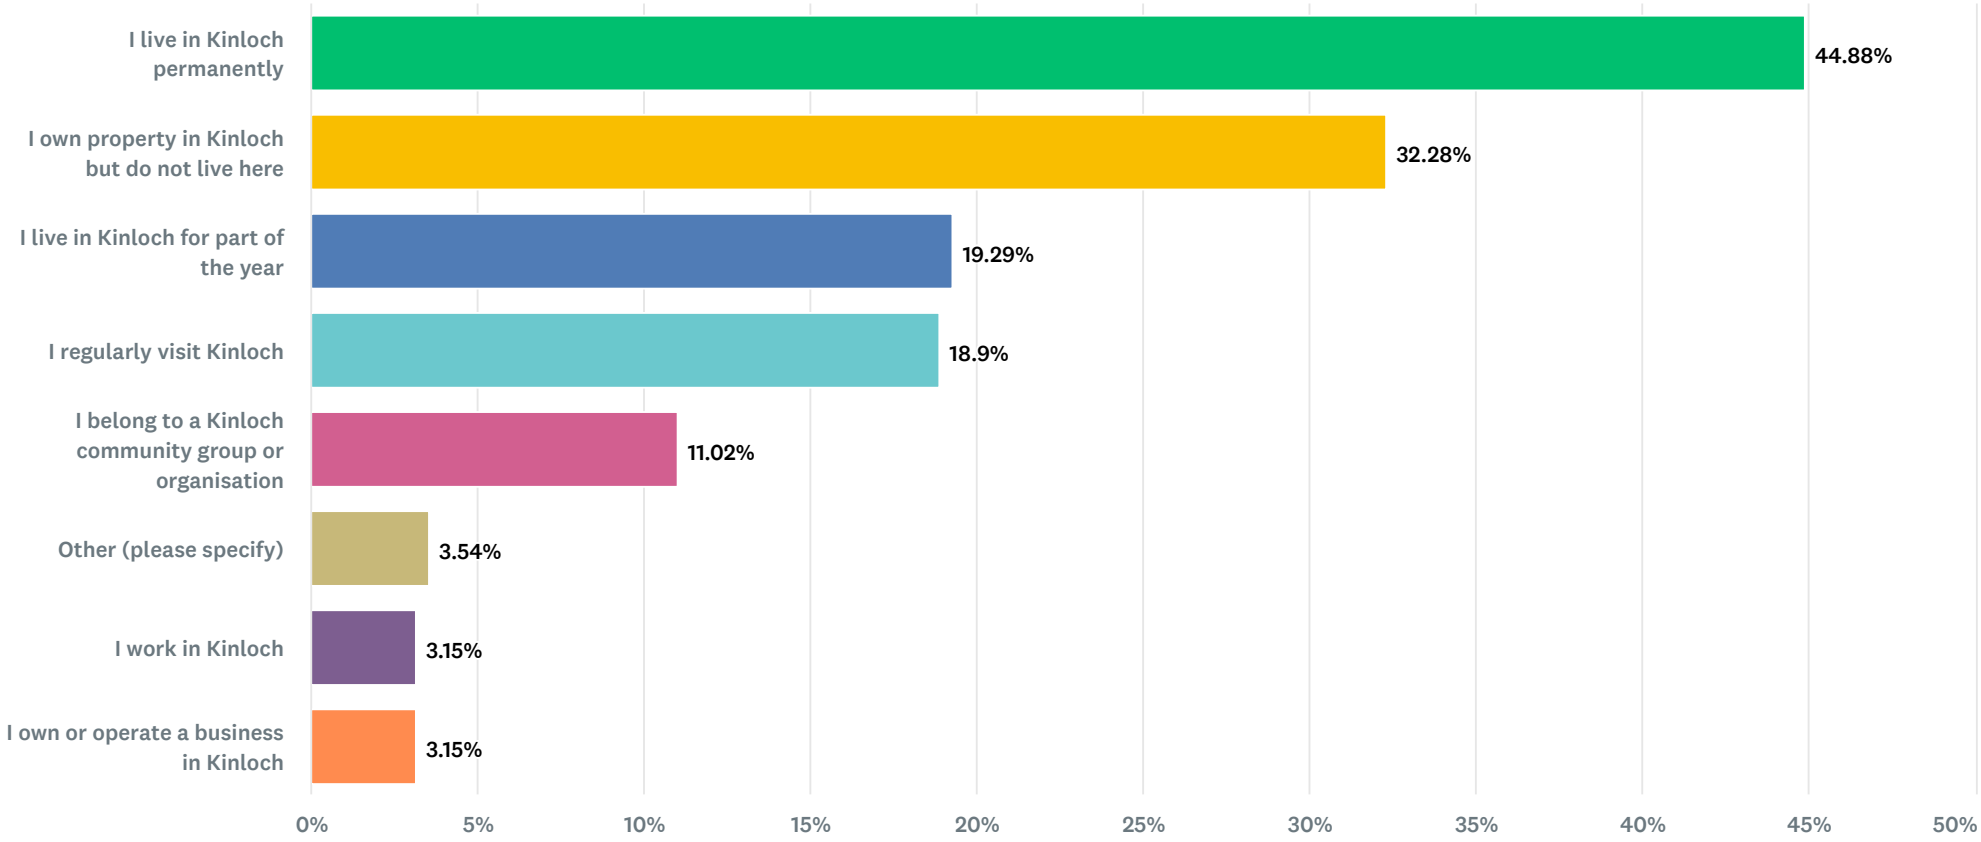

166	Low density residential development (large minimum lot sizes and low site coverage allowances) has provided a special character to Kinloch that allows for plenty of green space, trees and creates a relaxed holiday atomosphre. I would like to see this special character protected as pressure for more development may push towards higher density that would change the character.	9/5/2026 8:11 PM
167	Would hate to see the kinloch club golf coarse sold for future housing. that wouldn't be good. The water front, marine area is nice. Dont forget about services though. I know the new water treatment plants working, pump don't forget about all our shit that will need processing and dumping somewhere.	9/5/2026 8:09 PM
168	Value the small community friendly vibe and feeling of being safe in the community. As the community grows concerned that this will be lost	9/5/2026 8:03 PM
169	Keep the "village feel" of Kinloch. Make the businesses walkable distance from the marina and Domaine. If a multi-purpose community centre is possible keep it in the domain.	9/5/2026 7:53 PM
170	Walking down the stream. Protect the beach front from commercial development, but provide more parking down the beach to the west of the shop!	9/5/2026 7:49 PM
171	I value the peace. I would like to see the lake front improved, starting with an increased boat free area. Over summer the beach is busy and the nothing more annoying than finding a nice spot for some knob with a boat to park in front of you where kids are swimming.	9/5/2026 7:40 PM
172	Consolidate the growth.	9/5/2026 7:31 PM
173	The village feeling, it is safe and friendly, the biggest challenge is growth	9/5/2026 7:22 PM
174	Its size - don’t want it get to large	9/5/2026 7:21 PM
175	The tracks and walk ways.	9/5/2026 7:10 PM
176	Protect the lake. It is own by all.	9/5/2026 7:04 PM
177	Natural beauty, away from main city's/ centre's. Feel rural whilr still being close to town. Beautiful lakefront and views. Dont want kinloch to be exploited, or over developed with housing	9/5/2026 6:48 PM
178	Safe & secure	9/5/2026 6:41 PM
179	I value most the trailer parking for boats. Also both the Kinloch Marina and Scottmans boat ramp. We need to protect the small village feel and the freedom it comes with.	9/5/2026 6:39 PM
180	Lake and foreshore quality. Single access road	9/5/2026 6:38 PM
181	The lake	9/5/2026 6:33 PM
182	The beauty and solitude. Keep development to a minimum, no high density housing	9/5/2026 6:30 PM
183	I value the village “feel” of Kinloch. It’s the epicentre of its charm and appeal…Kinloch is small and quiet which is exactly why I (and a great many others) moved here. The over-development in recent years combined with the reduction of section sizing is a real concern.	9/5/2026 6:29 PM

184	I like how safe it is to walk around I hope it stays secure. I also enjoy the visitors in the summer it makes Kinloch alive just hope that it stays safe for my grand children growing up here sometimes	9/5/2026 6:23 PM
185	Like the quiet environment. The size of the community.	9/5/2026 6:19 PM
186	Protect the uniqueness of the Kinloch Village area, Lake Front, Marina and Trails	9/5/2026 5:35 PM
187	The sense of community and it's safety. The many walking trails and beautiful whangamata stream trail.	9/5/2026 5:26 PM
188	Village vibe is what attracted us to Kinloch 25 years ago. Maintaining that with a booming population is essential	9/5/2026 5:07 PM
189	The community needs to retain its peacefulness. Areas for people to sit. No intensity housing	9/5/2026 5:02 PM
190	No more new housing developments	9/5/2026 4:39 PM
191	A low crime community that values public safety.	9/5/2026 3:34 PM
192	The natural feel of the place. Beach streams and bush tracks. Not wanting too lose that with over developing	9/5/2026 3:21 PM
193	Ensure that the waterfront pathways and beach is easy to access for everyone and is kept clean and tidy. Potentially plant some more trees down the waterfront area to the right of the shop for shade.	9/5/2026 3:11 PM
194	I love the small township feel. The beautiful scenery and walkways.	9/5/2026 2:48 PM
195	Community small feel, no more subdivisions	9/5/2026 2:43 PM
196	The Village feel. Adherence to the existing Kinloch Structure Plan regarding development and density/lot sizes. Unfortunately, our Council does not follow its own regulations and has approved numerous non-compliant developments.	9/5/2026 2:41 PM
197	The stream and bush walks	9/5/2026 2:36 PM
198	Like the size so Do not let the community grow anymore with more houses as losing its uniqueness	9/5/2026 2:34 PM
199	Reserves and trails, along with development ensuring it continues as a small community not increasing density.	9/5/2026 2:06 PM
200	Keep nature and bird life growing. Not commercial	9/5/2026 12:59 PM
201	Stream trails, boat access	9/5/2026 12:44 PM
202	Better awareness around vehicles driving and parking on the sand at the lake.	9/5/2026 12:38 PM
203	I love the community feel, its a village. I would hate to see it commercialized.	9/5/2026 12:09 PM
204	Beachside feel - not too much traffic by lake reserve.	9/5/2026 11:49 AM
205	The peace and quiet and the community	9/5/2026 11:48 AM
206	Keep the village feel - do not create more residential suburbs of Taupo	9/5/2026 11:15 AM
207	Kinloch is a caring community which is very special, everyone supporting each other.	9/5/2026 11:14 AM

208	Not to be over developed, we love that Kinloch has a small community feel. Protect the waterfront and beaches and stop cars being able to park on the beach especially in front of the shop. This will protect the beach for the feature.	9/5/2026 10:51 AM
209	Community spirit and care.	9/5/2026 10:35 AM
210	A good supermarket maybe a school. I visually see it as a Wānaka (similar spot I would like that vibe)	9/5/2026 10:13 AM
211	Community	9/5/2026 9:57 AM
212	The reserves need to be better looked after.	9/5/2026 9:44 AM
213	Easy access to the lake for boating	9/5/2026 9:40 AM
214	The small town community vibe	9/5/2026 9:36 AM
215	The free facilities like the reserves and tennis courts. The safety of the village.	9/5/2026 9:27 AM
